CLASSIC LOUIS XV BERGÈRE CH-L15

Classic Louis XV Bergère Chair

Model CH L15

Classic French style combined with the ultimate in Classic French comfort.

This inviting chair is generous and luxurious, and retains all the little details of the original, which is unusual for a contemporary copy. An example of this is the secondary inner elbow rests. Similarly, it has not been reduced in scale.

The frame can be polished, as is shown for instance, or painted in your choice of colour.

The upholstery features piping as well as antique brass studs. And the ultimate luxury is the feather and down filling that begs you to sink right down into it.

The Classic Louis XV Bergère chair can be matched with a stool. see: [Classic Louis XV Ottoman](#)
