CLASSIC GUERIDON TABLE TA-160

Classic Gueridon Table

Model TA 160

A very practical and elegant small side table, copied from a French antique, hence the name. Gueridon translates as "pedestal table", usually applied to a small side tea or coffee table.

It stands on a nicely turned central pillar with a tapered curving shape, further enhanced with hand carved reeding. The plinth is a triangular shape with concave sides, all set on hand carved lions paw feet.

The top can be adapted to your needs, for instance a leather lining, or inlaid with an exotic wood.

A round topped version is available. (Model TA-160S)

The base can be stained black, if preferred.
