GEORGIAN TRAY ON STAND

Model: TA-GT-XS or TA-GT-SS

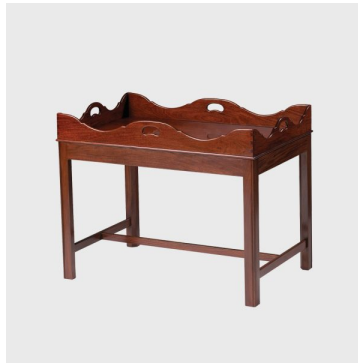

The Georgian Tray has delicately shaped edges and comfortable hand holes, and is made in exactly the same way, with the same dovetails and detailing, as the original.

It comes either with a folding X Stand for use as a side table, or a lower Chippendale style stand when a coffee table height is needed.

Dimensions (mm): w 790 d 520
on folding stand: h 750
on Chippendale stand: h 530

PRODUCT DESCRIPTION

Georgian Tray on stand.

The Georgian Tray has delicately shaped edges and comfortable hand holes, for easy lifting.

It is made in exactly the same way, with all the same dovetails and detailing, as the original.

It comes with a choice of stands.

Firstly, there is a folding X Stand, ideal for use as a side table. Alternatively, there is a lower stand for when a coffee table height is needed.
