CHEVRON SIDE CABINET CB 198

Model : CB198

Chevron Side Cabinet

The Chevron Side Cabinet is an amazing tribute to Classic Chairs' masterful inlay veneering.

The pattern is made up of geometric diamond shapes, with the pattern of the grain laid at first horizontally, then vertically, and then lastly again in alternating directions.

This attention to the pattern results in the faces catching the light in subtle and yet satisfying patterns.

It is further enhanced by attractive handles.

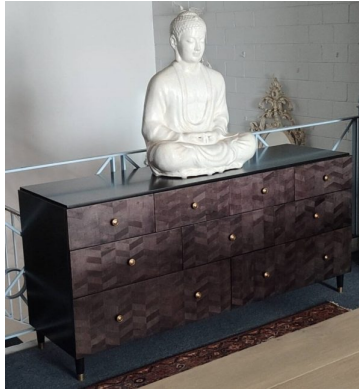

The finish is a transparent black finish allowing all the subtlety and soft sheen to showcase itself.

Dimension (mm) : W 1700 D 500 H 800
