FRENCH HIGH PREPARATION TABLE TA 421

Model : TA 421

French High Preparation Table: a really unusual find from a bakery in Southern France.

It is a very strong, practical and sturdy working table with tapered solid turned legs with block feet. It also has 3 generous storage drawers. The unique stretchers were made from pipes with metal brackets wrapped around the feet. Classic chairs has treated all the metal with a blued gun metal finish.

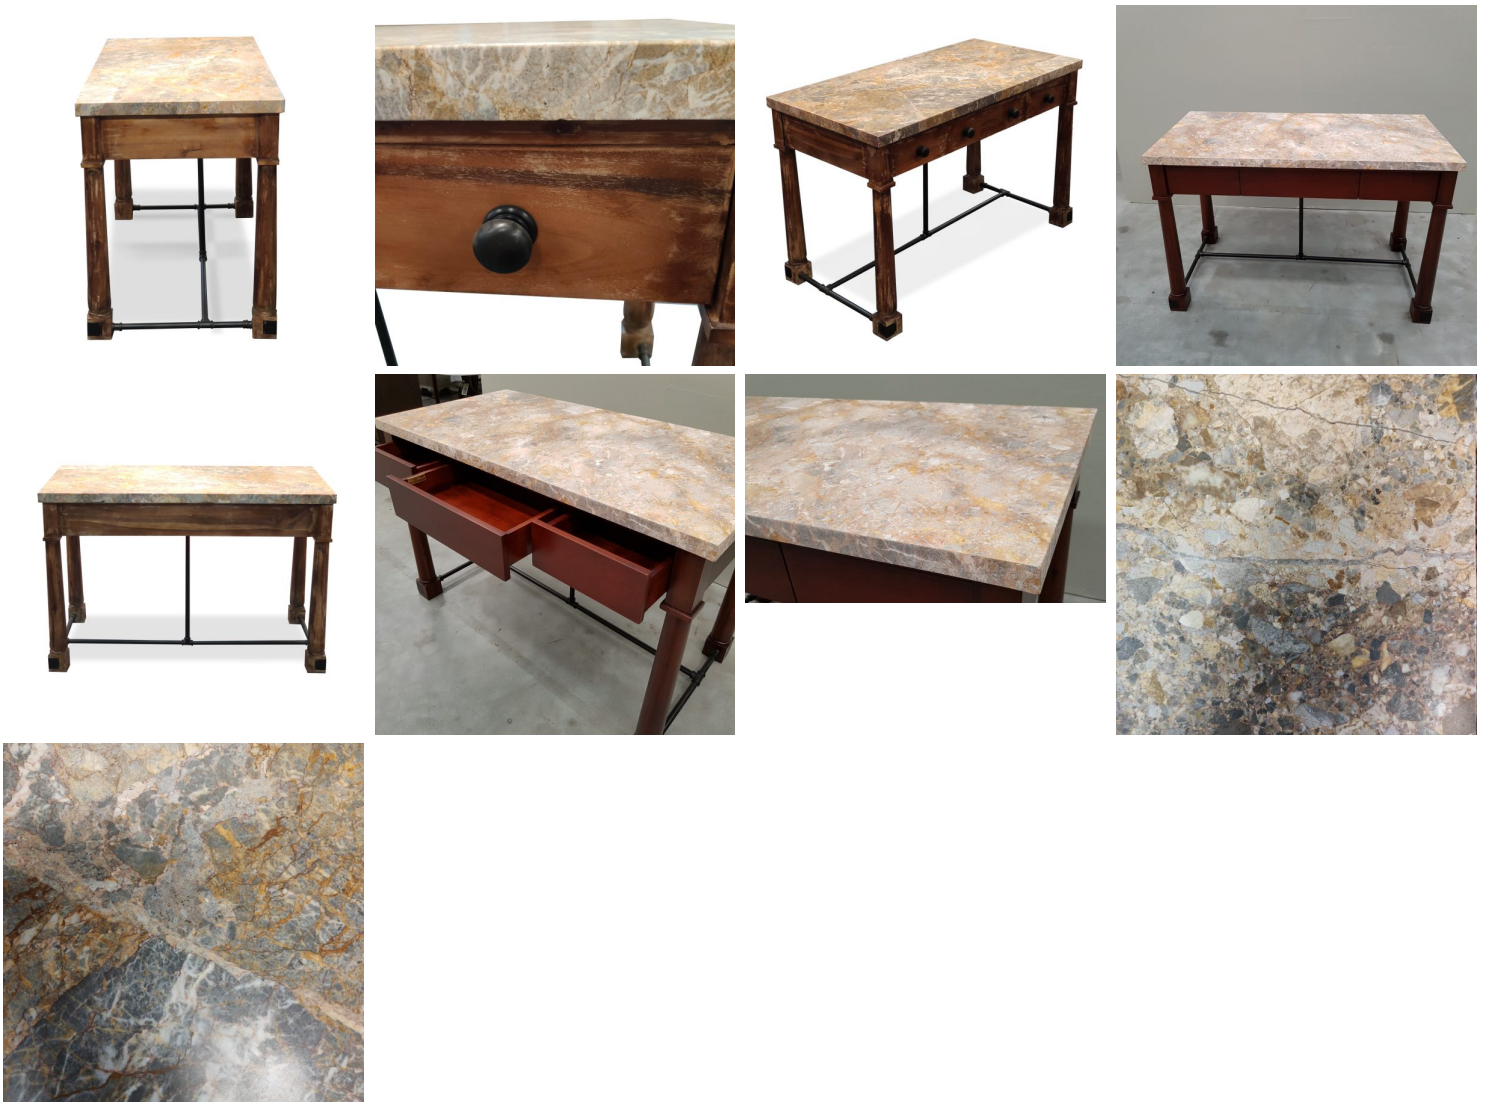

The top is thick breche marble which is fantastic for kneading and mixing pastry and bread doughs, as well as all the usual vegetable preparations.

Dimension (mm) : W 1230 D 630 H 805

Stock : in stock
