MATRIX GILT CUSHIONED MIRROR

MATRIX gilt cushioned mirror

model MR 018

An opulent mirror, ideal for an entrance or hallway. The angled sides providing the "cushioned" shape are separate mirrors within the gilded framework. Each piece is first cut to size, and then bevelled around the edges. The glass used is a light silver "antique".

The main mirror is clear, and is also bevelled.

It can, of course, be positioned as a landscape format.

Dimensions (mm): w 940 d 70 h 1230
