MID SIZE OPEN SHELVES

Model : mid size open shelves with 2 small drawers.

Mid size open shelves for books and decorative items. Not too wide, not too deep, they are a good practical size for most places.

The open sides have moulded crosses with a turned central boss, and turned uprights complement these beautifully.

The three tiers of shelves are topped off by little carved finials.

Painted finish as shown.

Dimension (mm) : W 560 D 260 H 1240

PRODUCT DESCRIPTION

Mid size open shelves

Mid size open shelves for books and decorative items. Not too wide, not too deep, they are a good practical size for most places.

The open sides have moulded crosses with a turned central boss, and turned uprights complement these beautifully.

Three tiers of shelves plus the top gives lots of display space, all topped off by little carved finials.

Painted finish as shown.
