CLASSIC BRASS SIDE TABLE TA-1-470

Model : TA-1-470

Classic brass side table TA 470

Originals of this 19th c. favourite are eagerly sought after, and remain just as useful today. They are perfect for flanking the sofa, or beside the bed: in fact, just about anywhere.

They are very much at home in a traditional setting, and even more so in a contemporary interior, particularly where a clean and uncluttered look is sought.

Dimension (mm) : W 593 D 410 H 550 or 660 (higher version)
