CLASSIC BRASS SIDE TABLE TA 470

Classic brass side table

Model : TA 470

Originals of this 19th c. favourite are eagerly sought after, and remain just as useful today. They are perfect for flanking the sofa, or beside the bed: in fact, just about anywhere.

They are very much at home in a traditional setting, and even more so in a contemporary interior, particularly where a clean and uncluttered look is sought.

Dimension (mm) : W 593 D 410 H 550 or 660 (higher version)
