EXTENDING DINING TABLE

Extending Dining table

Model: TA4-01

The smooth, pale travertine marble top is mounted on tempered glass for added strength.

The legs are solid walnut, and clad on the outer sides with shaped, tapering metal bracketing. The inner side and the top cross brackets are left with the walnut exposed, giving a sophisticated and subtle two-tone aspect.

Finish: Walnut in a natural finish, and the metal framing for the extending top and legs is painted in a metallic taupe colour to tone with the travertine.

Dimension (mm) : W 1800, extending with 2 leaves of 400mm to 2600, D 1000 H 760

Without the leaves, the table will seat 4 - 6. With the additional leaves in place, the table will seat 8 very comfortably

Stock : coming soon, pre-order available
