ARCADED TABLE TA 420 L

Arcaded Table TA 420 L

Classic Chairs' Arcaded Table is a long French farmhouse dining table, traditionally built for strength and longevity.

The base is all solid wood: the sturdy column legs have turned feet and capitals, strengthened by end struts and also by a substantial foot strut.

The top has a carved apron of arcaded arches which give an attractive play of light and shadow, under a polished oak plank top with "bread board" ends.

As standard, there is a moderate antique finish to all elements.

Bases can be finished in your choice of paint colour.

Available in 2 sizes.

Model: TA420-M Dimensions (mm): L2250 W1000 H760

Model: TA420-L Dimensions (mm): L3300 W1000 H760

Finish: Top: polished oak wood Base: Painted in your choice of colour
