FRENCH CARVED BED BD 02

French Carved bed

A traditional bed in the French style, with a twisting ribbon motif carved into the head and the foot.

The side columns and the feet are both decorated with fluting. There are additional detailed carved embellishments down the sides. And finally all topped off with pine cone finials.

The French Carved bed is available in a painted finish to your choice of colour.

The upholstery can also be done in your own fabric. (6 metres of fabric is required.)
