BUTLER'S TRAY ON STAND

Model: TA-BT

Butler's Tray on Stand. A very traditional design, with folding sides on sprung brass flush hinges.

The tray is constructed with loose panels of carefully chosen solid wood. When opened out, it becomes a great size for extra informal dining.

It comes either with a folding X Stand for use as a side table, or a lower Chippendale style stand when a coffee table height is needed.

Tray dimensions (mm): 560 x 840 and 780 x 1050 when the sides are folded down
Folding X Stand 750 mm high (model XS)

Square stand 530 mm high (model SS)

PRODUCT DESCRIPTION

Butler's Tray on Stand. A very traditional design, with folding sides on sprung brass flush hinges.

The tray is constructed with loose panels of carefully chosen solid wood. When opened out, it becomes a great size for extra informal dining.

It comes either with a folding X Stand which is ideal use as a side table, tea table or drinks table.

Or a lower Chippendale style stand when a coffee table height is needed. The sides fold down to form a pleasing oval shape.
