HAND CARVED WOODEN LAMP BASE

Model : LT 052 Hand Carved wooden Lamp base.

The base is in the classic shape of an urn, which has withstood the test of time for lamps the world over. It is turned from solid wood and with intricate and detailed carved decoration.

The carved base is also available with a carved top knob, for use as a pair of decorative accessories.

For another classic carved wooden urn please see the following: [Pineapple carved lamp base LT 054](#)

Dimension (mm) : W 250 D 250 H 480 including the 50mm top finial. As a lamp, the base height is 430 + the fitting.

Stock : **2 in stock, painted Antique white. To order for other colourways, or conversion to a lamp**
