A SELECTION of ALFRED MEAKIN "Greenville" dining and breakfast table pieces c 1891

A nice addition for dining, or a really *good* breakfast: of a good light green with gilt embellishments.

The set comes with a tall jug, a deep bowl and 9 eggcups, plus serving dishes including a large round tureen and lid, with its ladle. There is also a smaller round tureen, an oval tureen and lid, with its ladle.
