SLATE MANTEL CLOCK 10

SLATE MANTEL CLOCK 10

ANTIQUÉ ITEM: Black slate in a Classical temple style, with a Roman battle scene in relief carving in the pediment entablature.

The clock face is flanked by pairs of reeded pillars with brass socles, on a stepped plinth.

Coppery coloured brass in the centre of the face, which has numerals on a cream band, (cracks).

It has ornate hands and a gilded bezel behind the glazed door.

French 8 day movement.

Fretted back door, pendulum also. Clock Doctor guarantee label, so a bit of service history as well.

Model code: ANT MI LotCL-10: 28C

Dimensions: 35.5 x 13.5 x 27.5 H
