## **CLASSIC GAINSBOROUGH SIDE CHAIR**

Classic Gainsborough Side Chair.

The English antique original of this chair came with arms, and was marked with the date of 1767. Over 250 years later the design is as popular as ever.

Classic chairs has reproduced this side chair version with the same generous proportions, detailing, and comfort.

Upholstery can be to your specifications, with many variations available, as with all Classic Chairs' collections of seating. For example, leather or fabric coverings can be finished with deep-buttoning. Additionally, with choices of trimming like piping, braid or gimp, or close- or spaced-nailing.

Another version is with a higher back, which is great for boardrooms as well as dining rooms.

The Gainsborough collection of Classically designed seating also includes chairs suitable for commercial applications. To see one of these, please click on the link:
