PRODUCT DESCRIPTION

Classic Style and Classic Signature Our classic style furniture in this collection. It has been in existence since 1957. It is inspired by the golden age of cabinetmaking (1760-1835) with a high level of precision, form and method. All the furniture is made in the old way. by craftsmen and experts, both women and men

This little footstool is a microcosm of the English regency period, circa 1810. The sabre legs, moulded edge and detail of the legs combine to give the stool the quintessentially Regency look. Classic Chairs have copied the original stool very precisely to ensure the authentic look of the period. The Original Stool is from a design by Thomas Hope (1807) and can be attributed to the celebrated maker B. Harmer.
