

The Classic Chair Company
London

CLASSIC CANTERBURY

Originally for sheet music, the Classic Chairs Canterbury is very well made with all mortice and tenon joints for durability and accuracy. There are 84 mortice joints in the Canterbury! A boat shaped top, slim tapered legs and specially made brass castors complete the exact copy of the original, circa 1800. Very useful for magazines beside a chair.

Model : MI-WT-DW

Dimensions (cm) : w45.5 d33 h53

Materials : Rosewood & Beech wood

Finished : (1) Hand polish (2) Hand paint
