GIRANDOLE

Girandole mirrors, usually made in pairs, were designed to reflect candle light and so became a focal point in any room. The Classic Chairs' Girandoles are all hand carved from solid wood and feature a Ho-Ho bird perching on naturalistic foliate branches surrounding a shaped mirror plate. Twin candle holders complete this fine pair.

Model : MR038-GRD-L
Dimensions (cm) : w54 d5 h110
Materials : Mirror
Finished : Gilded (As show finish G1)
