CLASSIC CIRCULAR DINING TABLE (122 CM DIA)

This small centre pedestal dining table is ideal where space is limited. Without its leaf, the top is round and seats 4 comfortably. Add the leaf and the top forms a graceful oval and will seat 8. The pillar type of dining table has always been highly regarded for its elegance of form and its practicality. The absence of legs at the corners makes for ease of use and comfortable seating. The four splayed legs that support the centre pedestal terminate in solid brass caps in the form of a sleeping lion which ensures stability.
