CLASSIC 'LOUIS XVI' CONSOLE

This very handsome hardwood copy of a late 18th century French painted console, circa 1775, will achieve its own desirability as an antique in the fullness of time. It is a very useful side table as it is quite narrow from front to back - ideal for hallways. The standard marble top, which is shaped with a contoured edge is included, and we can offer a choice of limestone, granite or various coloured marbles. As with all Classic Chairs' consoles, it can be painted to suit your interior decoration, or can be supplied gilded.
