THE ROBERT JUPE 2 PILLAR TABLE

This impressive grand dining table is made from solid rosewood with a cross banded skirt of specially saw cut veneers. The huge expanse of carefully selected rosewood used to make the top which is cut from a single log. The Thomas Hope inspired pillars, like the table top, are all hand worked and are completely authentic so that the whole table will always command the respect of connoisseurs of fine furniture. Jointed with brass forks and sockets, the table can be divided and used in many combinations including as three stand alone tables.
