THE CHIPPENDALE CANDLE OR KITTLE TABLE

The Chippendale Candle or Kettle table was a very necessary part of the furnishing of the 18th century house. Before electricity or even oil lamps, the candle stand aimed to provide light at the right height. Also used as a kettle stand, these tripod stands are as practical and useful today as they were more than 250 years ago.

Model : TA057-ARC

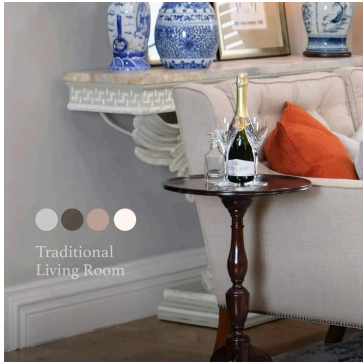

Dimensions (cm) : w43 d43 h77
